## ABOUT K-9 PARTNERS

K-9 Partners of Covina started in 2016 with the mission to garner financial and community support for the Covina Police Department's K-9 Program.

Our mission is to raise funds for the procurement of specialized training, medical care and supplies in order to maintain and grow the Covina Police Department's K-9 Program. This program is critical to the Covina Police Department's success.

With the tremendous support from our community, we have been successful in maintaining our mission.

*We will retire Jarno and welcome our new K-9 Diego!*
